

Water Resources Planner/Engineer III - Starting Salary \$67,000 - \$72,000 DOE/DOQ

The Hampton Roads Planning District Commission (HRPDC) is seeking a candidate for the position of Water Resources Planner or Engineer. This position will provide technical assistance to local governments and work on a variety of projects including tracking changes in state regulations that impact local government's drinking water, wastewater, and stormwater utilities, developing and implementing regional programs to address regulatory and permit requirements related to these utilities, and identifying research and data analyses that address water resource challenges in the Hampton Roads region.

For more information on this position, including education, experience, knowledge, skills, abilities and benefits, visit <https://www.hrpdcva.gov/page/employment/>.

Interested candidates must submit a letter of interest and resume to Kelli Arledge, Deputy Executive Director, Hampton Roads Planning District Commission, 723 Woodlake Drive, Chesapeake, Virginia 23320, or via email at karledge@hrpdca.gov. Additionally, applicants should be prepared to provide examples of work (e.g., reports, presentations), transcripts and professional references, if requested. EOE

Closing Date: Open until filled; resumes reviewed on an ongoing basis.
