

Albemarle County Local Government

[Deputy Chief - Construction](#)

Civil Engineer II

Department of Facilities and Environmental Services

Exempt, Paygrade 20

VRS-Eligible, Benefits-Eligible

The Deputy Chief – Construction leads the division’s work on building / facility related construction projects. These projects involve the planning design management of new construction, renovations, roof replacements, interior upgrades, and are substantial in terms of cost, scope, and complexity. The Deputy Chief – Construction has regular communications with internal stakeholders and senior persons at all levels of County government, which require tact and diplomacy. Collaboration with external stakeholders, including government agencies, vendor companies and community members, is a vital component of the work of the Deputy Chief - Construction.

This position is a supervisory position under the direction of the Chief of Facilities Planning & Construction.

May be eligible to work from home up to 2 days per week, depending on department needs and performance.

DEADLINE FOR APPLICATIONS: Position open until filled (will remain open for a minimum of 10 days)

EOE/EEO

Albemarle County is an equal employment opportunity employer and does not discriminate against any group or individual on the basis of race, color, religion, sex, sexual orientation, national origin, age or disability in regards to any aspect of employment policy and practice: recruitment, testing, selection, assignment, pay, conditions of work, training, leave, overtime, promotion, discipline, demotion, and separation.
