

WE ARE GROWING AND WE NEED YOU!

MEDICS, EMTS AND ADVANCED EMTS

Recently, our local Board of Supervisors approved additional full-time personnel within the Greene County Emergency Medical Services Department (GCEMS). Greene County is 157 square miles with a population of approximately 20,000. Over 60% of our call volume are high acuity advanced life support calls. GCEMS has progressive and advanced protocols for both ALS and BLS, a new facility with private bunkrooms for personnel, and an environment for staff members to thrive and succeed. GCEMS has adopted the philosophy of “Earn While You Learn” and our salaries and benefits are competitive.

Applications may be obtained at the Greene County Administration Building, 40 Celt Road, Stanardsville, VA 22973 or downloaded at www.greencountyva.gov, or use the QR code to go to the application. Interested candidates must attach a cover letter and resume to the completed County application.

Applications may be emailed to ddunivan@gcva.us. Initial consideration will be given to those applications received by June 29, 2022. Open until filled.

EEO, AA, M/F/H/V employer.
