

EMPLOYMENT NOTICE WASTEWATER SUPERINTENDENT

The Wythe County Board of Supervisors is accepting applications for a Wastewater Superintendent. The Wastewater Superintendent will perform a variety of skilled, technical, supervisory and administrative work in planning, organizing and directing the installation, maintenance and repair of the County wastewater treatment systems, lift stations, managing the department budget, maintaining records and files, preparing reports, and related work as apparent or assigned. Work is reported to and performed under the general direction of the Director of Water and Wastewater Systems.

Candidate should hold bachelor's degree in Civil Engineering, Construction Engineering and Management, Environmental Science, or closely related field; have five (5) years' experience relating to the operation, repair and maintenance of water or wastewater collection systems or treatment systems including the operation of related maintenance equipment; or any equivalent combination of education and experience. Candidate must possess a Class III or higher Wastewater Operator Certification as issued by the Virginia State Board for Certification of Water or Wastewater works Operators; or be able to possess one within two (2) years.

Application and resume may be submitted to the County Administrator's Office, Attention: Martha Collins, Administrative Assistant, 340 South Sixth Street, Wytheville, Virginia 24382. A full job description and application may be obtained under the Employment section of the County's website at www.wytheco.org. Salary DOQ/E, + Benefits. Position Open Until Filled.

Wythe County is an Equal Opportunity Employer.

**By Order of the
Wythe County Board of Supervisors
Stephen Bear, County Administrator**
