

Fauquier County Government – Construction Project Manager

Fauquier County is seeking a detail-oriented, thorough, and organized construction project manager to join our team. Ideal candidate must be able to provide a leadership, organization and planning role to control infrastructure project phases, including transportation; full scale building; and community infrastructure projects; from conception through construction administration on multiple projects in an efficient manner. Ability to effectively communicate verbally and in writing with project stakeholders, including written or oral presentations to the general public. Provide work necessary, including during design and onsite during construction, to ensure compliance with County Code, State and Federal Regulations for County staff, contractors, and consultants; including but not limited to federal or state funding requirements.

The ideal candidate will show construction project management and oversight experience on local or state government capital projects including VDOT local administered projects, state or federal grant funded projects, and other related public projects with significant compliance requirements. In addition, Candidate must possess an appropriate driver's license valid in the Commonwealth of Virginia and have the ability and willingness to obtain VDOT LAP qualification certification, certified construction manager, and or similar construction or design certification or licensure programs.

We offer a Comprehensive Benefits package to include but not limited to:

- Medical, dental, vision, and prescription coverage at very competitive rates
