

Director of Public Works / Town Engineer

The Town of Pulaski is seeking applicants for a Director of Public Works / Town Engineer. This is an exempt, full-time position with benefits including paid employee health, dental, vision and life insurance, accrued paid time off for personal and vacation time, accrued sick leave, paid days off for state holidays, and participation in the VRS Retirement plan.

The successful applicant will be responsible for providing the Town with civil engineering services, along with Departmental supervision of Engineering, Water Filtration Plant, Public Works (water/sewer operations, property maintenance, and streets), and the Building Official. Applicants must possess a bachelor's degree in Engineering or a related field, and along with relevant experience must have good math skills and strong working knowledge of surveying. Work is performed under the general direction of the Town Manager.

The salary range for this position begins at \$75,352 and will be commensurate depending on experience. Please apply online at https://www.pulaskitown.org/government/information/job_openings
