

Mecklenburg County, Virginia (Boydton)
Erosion and Sediment Control Inspector

Recruitment Compensation Range: \$48,000 - \$52,000

*Candidates without existing certification will be placed at the minimum of the range.

Job Summary: Under general supervision of the Zoning Administrator, the Inspector will perform technical work inspecting local construction and residential projects to ensure compliance with code regulations of the County and Commonwealth of Virginia regarding erosion and sediment control measures.

Essential Duties & Responsibilities Include: Inspect construction projects to enforce County ordinances governing the requirements of erosion and sediment control measures. Maintain inspection reports and issue notice of violations, notice to comply, and stop work orders. Employee must exercise initiative and independent judgement in performing inspections. Employee must exercise considerable tact, courtesy, firmness, and professionalism in frequent contact with property owners, developers, contractors, and the general public. Inspector must have the ability to proceed through construction sites with uneven and varying terrain and work in outdoor weather conditions, such as hot or cold temperatures, wet or humid conditions, and working near heavy construction equipment.

Minimum Qualifications/Experience: Erosion and Sediment Control Inspector shall possess a valid Virginia or North Carolina Driver's License, a high school diploma or equivalent, and one to two years of experience in construction site inspections. Must be proficient in mathematics "Algebra". Inspector will drive a county vehicle during inspections. A Virginia DEQ Erosion and Sediment Control inspector certification is preferred or must be obtained within one year of employment. The County will pay for the completion of the certification for a successful applicant who does not possess the certification upon employment.

TO APPLY: To be considered for this position, you must submit a completed Mecklenburg County application, which may be obtained directly at <https://www.mecklenburgva.com/DocumentCenter/View/226/Mecklenburg-County-Employment-Application-PDF>, or from the County Administrator's Office by calling (434) 738-6191, or by email at jenny.whitemore@mecklenburgva.com

The applications and any other information you wish to submit must be received electronically, or at the address below, by 4:00 p.m. on **September 6, 2022.**
