VACo's Annual Legislative Program Process

102

President's Welcome

It's my honor to welcome you to VACo's 88th Annual Conference. It is always a highlight of the year for me to spend time with my colleagues from across the state, and I hope you will take full advantage of this opportunity to exchange ideas with your peers.

As our conference theme so aptly describes the current situation in county government, we are indeed working in a “new normal,” with considerable economic uncertainty, as well as changing expectations among our constituents and the county workforce that require us to be nimble and adaptable as we plan for the future. Fortunately, we have a strong community of county leaders, and we can learn from each other as we strive to improve the services that we deliver to our communities every day. I know my county has benefitted from other leaders’ willingness to share their successes, as well as their lessons learned, and VACo provides a great forum for these discussions.

As President this year, I had the opportunity to spend time with local leaders from across the state, and I continue to be inspired by your creativity in solving problems and your deep love for your communities. I am confident that the Commonwealth will continue to rise to the challenges of the future with such dedicated public servants leading the way.

I would like to extend my appreciation to the VACo staff, who have been working for the last several months to make sure the conference is a valuable experience for you. I am grateful as well to all of our sponsors and exhibitors – we could not hold this event without their support. Please make sure to visit with them in the Exhibit Hall.

It has been an honor to serve as VACo President this year. I thank you for your support and your commitment to public service.

Enjoy the conference!

A handwritten signature in black ink that reads "Meg G. Bohmke". The script is fluid and cursive.

Meg G. Bohmke
VACo President

Virginia is made up of 95 counties.

And we look forward to
working for the benefit
of each one.

Thanks in large part to local incentives—as well as to state incentives, extensive infrastructure, and location—Virginia consistently ranks among the nation’s top states to conduct business. And our counties lead the way.

That’s why we’re dedicated to partnering at the local level, to drive economic growth, job creation, innovation, and more. Because we know it’s only by working closely with each other that true and lasting progress can be made.

Conference Information

Registration

Everyone attending the conference must register. This includes members, their families, guests, exhibitors, and news media representatives. No one will be admitted to any business or social function without a conference badge.

Registration will take place:

- 10 a.m. to 5 p.m. | Sunday, November 13
- 8 a.m. to 2 p.m. | Monday, November 14

VACo staff and volunteers will be at the registration desk during the hours listed above and will be happy to assist you. Notices are posted on a message board at the conference registration desk and in a marquee in the main lobby.

Legislative Program

VACo's annual legislative program is finalized and adopted during the conference. The eight steering committees meet Sunday afternoon, the Resolutions Committee meets Monday morning, and the membership acts on the 2023 Legislative Program during the annual business meeting on Tuesday morning.

The Preliminary Legislative Program was emailed to VACo members in October. Proposed amendments to the program should be available by Noon on Monday, November 14 at the Registration Desk. Proposals should go through the steering committee process. Additional copies are also available at the Annual Business Meeting on Tuesday morning.

Other Information

Voting Credentials

Article VI of the VACo bylaws provides that each county is to designate a representative of its Board of Supervisors to vote at the annual business meeting. However, the bylaws allow a county to designate a proxy to vote if a member of the Board of Supervisors cannot be present for this meeting. Counties should have received voting credential forms and proxy forms by mail in September. If you did not return your form to VACo in the mail, you can submit it to the VACo Credentials Committee at its meeting on Monday, November 14 at 1 p.m. in Room B16. You can also drop it off at the conference registration desk before the Credentials Committee meeting.

Election of Officers

The election of VACo Officers and Board members will take place at the annual business meeting Tuesday morning.

A promotional graphic for Glo Fiber Enterprise. The background is dark purple with abstract light trails and bokeh effects. At the top center is the 'glo fiber enterprise' logo, with 'glo' in white and 'fiber enterprise' in orange. Below the logo are three orange circular icons: a globe, a telephone handset, and a firewall. To the right of each icon is a service name in white capital letters: 'DEDICATED INTERNET', 'BUSINESS CLASS VOICE', and 'MANAGED FIREWALL'. At the bottom is an orange horizontal bar containing the website 'glofiber.com' and the phone number '1-877-I-WANT-GLO' in white text.

Exhibit Hall

The exhibit hall will be open from **2 p.m. to 5:30 p.m.** on Sunday, November 13 and will reopen at **8:30 a.m.** on Monday, November 14.

Please take this opportunity to thank, network, and speak with our knowledgeable exhibitors in the Exhibit Hall.

The Exhibitor Drawing is at 1:45 p.m. on Monday. You must be present to win, so make time in your schedule to attend. To enter, have the card in your registration packet marked by each exhibitor and place your completed card in the drum at the back of the Exhibit Hall by 1:30 p.m. on Monday. Exhibitors not participating are indicated on the drawing card.

Immediately following the Exhibitor Drawing, the name of one lucky exhibitor will be drawn for a free booth at the 2023 annual conference. The exhibitor must be present to win.

WiFi

Enjoy free basic WiFi access throughout the Greater Richmond Convention Center for email and basic web browsing. VACo Premier Partner, Aetna, is sponsoring the Wifi at the Marriott Hotel. Visit **Aetna** at Booth 406.

3 STORIES OF HOW LOCAL PROGRAMS IMPACTED THE LIVES OF 3 LEADERS

MODERATOR: Dean Lynch, Executive Director, Virginia Association of Counties

SPEAKERS PANEL: The Honorable **Mike Sturgill**, Supervisor, Smyth County; **Bryan Hill**, County Executive, Fairfax County; **James A. Smith Jr.**, Director of Parks, Recreation and Tourism, Louisa County

There are countless stories of how local programs have improved and positively altered the lives of many of our youth and residents. These are 3 such stories. Each member of the panel benefitted from local programs that helped propel them to the successes they earned along the way. Those early lessons, the people who taught them, and the love and support they provided, steered our panel members to a work life of local government service. They returned to give back.

CONCURRENT SESSIONS

10 a.m - 11:15 a.m.

AV Sponsors: Trane/GreeneHurlocker/BILT Group and The Teneo Group

STATE BUDGET PREVIEW: NAVIGATING A CHANGING ECONOMIC LANDSCAPE | Grand Ballroom B21A

MODERATOR: The Honorable **Jim Icenhour**, Supervisor, James City County

SPEAKER: **James J. Regimbal, Jr.**, Principal, Fiscal Analytics

What should counties expect in the

Monday, November 14

revisions to the biennium budget that will be under discussion next session? This session offers a preview of the key elements under consideration, as well as an analysis of the economic factors that will underpin state revenue forecasts and spending decisions.

TRANSFORMATIONS IN AGRICULTURE AND FORESTRY | Room B20

MODERATOR: The Honorable **Terri T. Catlett**, Vice Chair, Clarke County

SPEAKERS: **Joseph Guthrie**, Commissioner, Virginia Department of Agriculture and Consumer Services; and **Rob Farrell**, State Forester, Virginia Department of Forestry

Virginia agriculture and forestry have a combined annual economic impact of over \$91 billion and provide more than 334,000 jobs, comprising 9.5 percent of the state's total gross domestic product. This session will explore how Virginia's number one industry is positioning itself to keep these sectors vibrant through initiatives to expand both infrastructure and markets. Additionally, speakers will address how the state can accommodate competing demands for new development, including large-scale solar facilities, without compromising the ability of Virginia's landscape to provide food and fiber products.

TRANSPORTATION IN THE COMMONWEALTH | Room B15b

MODERATOR AND SPEAKER: The Honorable **Phil C. North**, Supervisor, Roanoke County

SPEAKERS: **W. Sheppard (Shep) Miller III**, Secretary of Transportation, Commonwealth of Virginia, and Chair, Commonwealth Transportation Board; The Honorable **Kevin P. Carroll**, Supervisor, Chesterfield County,

Monday, November 14

and Member, Central Virginia Transportation Authority

Connection is everything in today's world. Connection with friends, family, and things we love to do. What is transportation if not connection? As Virginia grows and continues to be the best place to visit, live and raise a family, our transportation needs are constantly changing. Please join us in a discussion highlighting the local, regional and Commonwealth wide view of transportation. The discussion focuses on where transportation stands today, and where it may be going.

MEDIATORS, FACILITATORS, AND OTHER CONSULTANTS – WHY DO I NEED THEM? | Room B15c

MODERATOR: Dean Lynch, Executive Director, Virginia Association of Counties

SPEAKERS: Suzette Denslow, Consultant and Mediator; **Cynthia E. Hudson**, Esquire, Sands Anderson PC; and **Charles Hartgrove**, Director, University of Virginia Institute of Government

In the normal course of running a government, there are many situations that come up that you don't have the expertise to handle. How do you know when you should gather the best minds in the government building or the community to tackle the situation, and when you should look to outside experts to help? Why would you hire a mediator? When would you ask for help from a neighboring jurisdiction? Would a state University be able to help? Listen to our three panelists discuss the pros and cons of hiring "outside experts" as they offer some practical advice and guidance.

Monday, November 14

CONCURRENT SESSIONS

11:30 a.m - 12:45 p.m.

TAX POLICY, THE STATE BUDGET, AND THE STATE-LOCAL PARTNERSHIP: LEGISLATIVE PERSPECTIVES

| Grand Ballroom B21A

MODERATOR: The Honorable **Dan Storck**,
Supervisor, Fairfax County

SPEAKERS: The Honorable **George L. Barker**,
39th Senate District; The Honorable **Emmett W. Hanger, Jr.**, 24th Senate District; The Honorable **Terry G. Kilgore**, House Majority Leader and 1st House District

Tax policy is expected to remain a topic of major focus during the 2023 legislative session. This session will feature legislative leaders who will shape these conversations, as well as decisions about spending priorities in crafting amendments to the biennium budget.

MEETING THE NEED FOR HOUSING | Room B20

MODERATOR: The Honorable **Libby Garvey**,
Member, Arlington County

SPEAKERS: The Honorable **Barbara A. Favola**,
31st Senate District; and **Susan Dewey**, Chief Executive Officer, Virginia Housing

Prior to the current crunch in housing supply, Virginia has been investing and employing strategies to meet a range of housing needs in terms of affordability and livability for various groups, including low-income, workforce, and special needs communities. Inflation, material shortages, and lack of skilled labor have contributed to a situation that now affects all Virginians in the ability to attain and sustain living space. This session will explore the policy and strategy options for addressing these needs, and the role counties can play in partnering with federal, state, and private sector partners in meeting them.

Monday, November 14

SPORTS TOURISM BOOMS IN VIRGINIA | Room B15b

MODERATOR AND SPEAKER: The Honorable **Christopher M. Winslow**, Chair, Chesterfield County

SPEAKERS: **Dennis Bickmeier**, Executive Director, Henrico County Sports and Entertainment Authority; and **Michael Rojas**, Sports Tourism Manager, Prince William County, and Member, SportsNOVA

It doesn't matter whether it's summer or winter or spring or fall – it's always sports season in Virginia. Sporting events are driving tourism in the Commonwealth and some counties are investing in that trend. See what counties are doing to bring sports excitement – and dollars – to their community.

EMERGING CHALLENGES IN CYBERSECURITY | Room B15c

MODERATOR: The Honorable **Victor S. Angry**, Supervisor, Prince William County

SPEAKERS: **Aliscia Andrews**, Deputy Secretary of Homeland Security, Commonwealth Virginia; **Chris Carey**, Administrator, VAcorp; **John Harrison** Director of Information Technology, Franklin County, and President, VaLGITE

In the past three years, there has been a 100% increase in cybersecurity incident claims. In 2021 alone, risk insurers paid out claims on more than 8,100 incidents. Legislation enacted during the 2022 session of the General Assembly now requires public bodies to report cybersecurity incidents to the Virginia Fusion Center within 24 hours from when the incident was discovered. This panel will discuss emerging trends in cybersecurity and the challenges facing local governments and ways in which they can protect themselves.

K-12 EDUCATION FUNDING AND INITIATIVES |

Grand Ballroom B21A

MODERATOR: The Honorable **Kathy Smith**, Supervisor, Fairfax County

SPEAKERS: The Honorable **Jennifer L.**

McClellan, 9th Senate District; The Honorable

Terry Kilgore, Majority Leader, House of

Delegates, and 1st House District; The Honorable

Carrie E. Coyner, 62nd House District.

Funding for k-12 education often constitutes the plurality, if not the majority of a county government's budget. Issues like school

Monday, November 14

construction and modernization, teacher and school staff salaries, funding for support positions, and early childcare options are all important in ensuring that students across the Commonwealth have access to a quality public education. Come join this panel of state legislators as they discuss recent education related actions by the General Assembly and preview the 2023 session.

THE NEW ENERGY INFRASTRUCTURE | Room B20

MODERATOR: The Honorable **Billy W. Martin**, Supervisor, Botetourt County

SPEAKERS: The Honorable **Richard C. (Rip) Sullivan, Jr.**, 48th House District; **William L. “Bill” Murray**, Senior Vice President–Corporate Affairs & Communications, Dominion Energy

The electric grid, from power to transmission and distribution, will undergo an historic transformation in the decades ahead. Large scale solar and wind installations, as well distributed sources of renewable such as rooftop solar, will necessitate significant investments and upgrades to electric lines, switching stations, and substations. Additionally, this new infrastructure must accommodate the expected rise in electric vehicles (EVs), with the need to provide ubiquitous charging stations and increased power demands during traditionally off-peak hours when EVs will be charging. This session will provide an overview along with expected impacts, challenges, and opportunities.

KEY ISSUES IN SOCIAL SERVICES: CHALLENGES AND OPPORTUNITIES | Room B15b

MODERATOR: The Honorable **Pamela Carter**, Supervisor, Augusta County

SPEAKERS: **Dr. Danny TK Avula**, Commissioner, Virginia Department of Social Services; **Carl**

Monday, November 14

Ayers, Deputy Commissioner for Human Services, Virginia Department of Social Services; **Mira Signer**, Special Advisor, Safe and Sound Task Force; **Rebecca J. Morgan**, M.Ed., Director, Middlesex Department of Social Services and President, Virginia League of Social Services Executives

Important efforts are underway to improve how Virginia meets the needs of some of its most vulnerable residents, including significant work to ensure that children in foster care are placed with families. At the same time, local departments of social services are struggling with staff recruitment and retention. Join state and local leaders for a discussion of the challenges facing local departments as well as potential solutions under discussion to support local staff and enhance service delivery.

VACo/VSBA COLLABORATIVE LEADERSHIP IN EDUCATION | Room B15c

MODERATOR: The Honorable **Ruth Larson**, Second Vice President, Virginia Association of Counties, and Supervisor, James City County

SPEAKERS: The Honorable **Meg Bohmke**, President, Virginia Association of Counties, and Supervisor, Stafford County; The Honorable **Teddy D. Martin II**, President, Virginia School Boards Association, and Vice Chairman, Henry County School Board; **Jeremy R. Bennett**, Director of Intergovernmental Affairs, Virginia Association of Counties; **J.T. Kessler**, Director of Legislative Services, Virginia School Boards Association

Local Government and elected officials are responsible for managing and funding K-12 education throughout Virginia. This panel discussion will focus on the unique relationship between local governing bodies and school

Monday, November 14

boards, as well as the partnership and collaboration between the Virginia Association of Counties and Virginia School Boards Association as they advocate on behalf of their members to improve the quality of education.

performa

**THE RIGHT
INFORMATION**

**TO THE RIGHT
PEOPLE**

**AT THE
RIGHT TIME**

For more than 25 years, Performa has built and implemented specialized financial platforms and software solutions (both cloud based and in-house) for federal, state, and local governments.

Our product offering, BIDS (Business Information Decision System), has proven expertise in delivering complex multiuser sites across the globe. We deliver complete solutions addressing the challenges, practices, and realities of any budgeting team.

ABOUT US

BIDS is an innovative platform for implementing government budgeting systems, designed from the ground up specifically for the public sector. It can strengthen your current budgeting process or accommodate emerging approaches such as outcome or equity-based budgeting. BIDS is scalable and can interface with most other enterprise and legacy applications. Through this interface, BIDS presents a single integrated financial management system, and streamlines the budgeting process allowing you to make data informed decisions.

MAIN OFFICE

1 Research Ct, Suite 450
Rockville, MD 20850

THE RIGHT SOLUTION FOR THE PUBLIC SECTOR

Process Specific Workflow

The BIDS tool kit adapts to or transforms any complex business process. It centralizes and normalizes data from project inception through many levels of approval to completion.

Integration Capabilities

Flexible connection methods allow easy access to Financial, Personnel, and Procurement systems to exchange data in real time. Creating a unified system for results driven decision making.

Dashboard and Reporting

Real time reporting through standard and ad hoc tools plus readily available dashboards gives decision makers access to a complete view of their program. This data fosters accountability and transparency with constituents.

Is your County looking for a simple way to lower Pharmacy costs while improving benefits?

Rx 'n Go works with **Self-Funded Counties** to provide a benefit with ~1,300 maintenance medications at \$0 copayment, shipped right to members' homes! Rx 'n Go does not replace your existing PBM program, rather, it wraps around to provide another great benefit option to help with budgetary cost containment.

Short-term benefits show savings on pharmacy spend & long-term benefits include avoidance of hospital stays and preventable ER visits with better compliance.

With the Rx 'n Go program, Counties are seeing average savings of ~20% on generics, ~30% on insulin, and ~40% on high cost, branded medications.

COST

- Immediate Rx savings
- Transparent fixed fee for each 90-day Rx
- Brand drug cost containment
- \$0 Copay for members

Rx 'n Go provides prescription drug cost savings to both the employer and employees. Employer only pays when their employees / members fill their prescriptions with Rx 'n Go. There are no set-up costs or administration fees, or PPM costs associated with the Rx 'n Go program. Rx 'n Go will also provide marketing materials such as email campaigns, posters, home mailers, presentations free of charge at the Client's request.

CHOICE

- Real benefit for people with Rx needs
- 1,200+ maintenance generic drugs covered
- 750+ preventive generic drugs covered
- Compliment to existing PBM

As an increasing number of employers are implementing consumer driven health plan designs along with higher deductibles, employees require additional choice and alternatives to use their benefits economically. By offering Rx 'n Go program, creative and innovative employers offer their employees / members access to a very meaningful and valuable alternative for their prescription medication needs.

COMPLIANCE

- Convenient home delivery
- Removes financial & access barriers
- Easy to communicate
- Increases adherence to prescribed medications

Studies show that people using home delivery for their prescription medication needs are generally more compliant. Increased medication compliance leads to improved employee productivity, lower absenteeism, and most importantly, fewer emergency room visits / hospital admissions.

Are you frustrated with seeing the cost of prescriptions go up each year? Interested in learning if Rx 'n Go is a good fit for your County?

Rx 'n Go can work with your Benefit Consultant and County Team to provide a Savings Analysis to show what the impact to the budget would be compared to existing Rx spend. We find County HR teams are excited to provide better benefits to members with \$0 copayment for maintenance medications!

ENERGIX RENEWABLES

Energix Renewables is an independent power producer that develops, constructs, owns, and operates renewable energy projects in the United States. We are the subsidiary of an Israeli publicly-traded company (TASE: ENRG). We use our financial stability and extensive project experience to build projects that create long-term value for local communities, landowners, our stakeholders, and the environment.

Headquartered in Arlington, Virginia, Energix Renewables is one of the leading solar energy developers in Virginia with eight projects in operation, several more in various stages of construction and many more in development.

Over 50

EMPLOYEES
ACROSS VIRGINIA

LONG TERM PARTNER

Energix is a long-term partner for the communities in which we operate. We develop, construct, own, and operate projects through their entire lifecycle, which makes us a reliable partner through every step of the process and a unique partner in the market.

BUY AMERICAN

We are committed to the US economy and therefore procure the majority of our equipment here in the U.S.

More
than
\$450M

INVESTED IN THE
US

INVESTMENT IN COMMUNITIES

Every time Energix develops a top-tier solar facility, it makes a commitment to the community it joins. We work closely with local governments to provide meaningful benefits to the areas where we operate. This is not just a slogan - it is our mission.

ENVIRONMENTAL PROTECTION

In addition to providing necessary clean energy to protect our planet, we also take extraordinary measures to preserve local cultural resources, wildlife, and critical habitats. We also guarantee decommissioning and site restoration.

> 6GW

IN DEVELOPMENT
PIPELINE IN THE US

EXPERIENCED PARTNER

Energix has over 6GW of renewable energy projects currently in its pipeline. That is enough carbon-free energy to power more than 1.5 million homes. Our growth has given us great financial stability, making us an excellent partner with a substantial business network.

EMPLOYMENT IN VIRGINIA

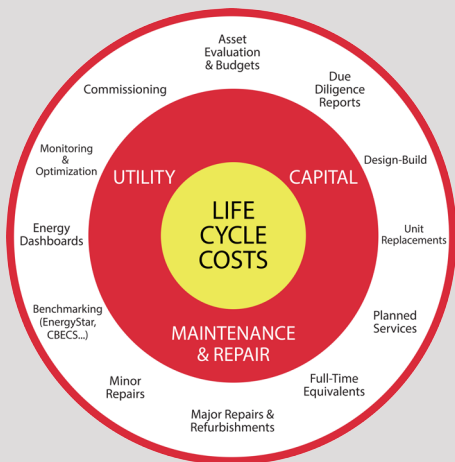

Energix, during construction of its projects, creates thousands of full and part-time construction jobs annually. The 500MW scheduled for construction will bring significant employment opportunities to the Commonwealth, alongside increased tax revenue and a boost to the state's hospitality sector.

ABM Building Services

Booth 105

ABM works with Virginia local governments to implement energy efficient upgrades that create guaranteed savings to use as a revenue source for community wide improvements to facilities, infrastructure, and opens the door for innovative community improvements. Our guaranteed energy savings programs help localities address aged infrastructure needs in existing buildings and infrastructure. Our programs support communities long term sustainability and technology goals while being budget neutral and not increasing taxpayer burden.

NRM-19558AO (08/21)

About the development and adoption of VACo's annual legislative program

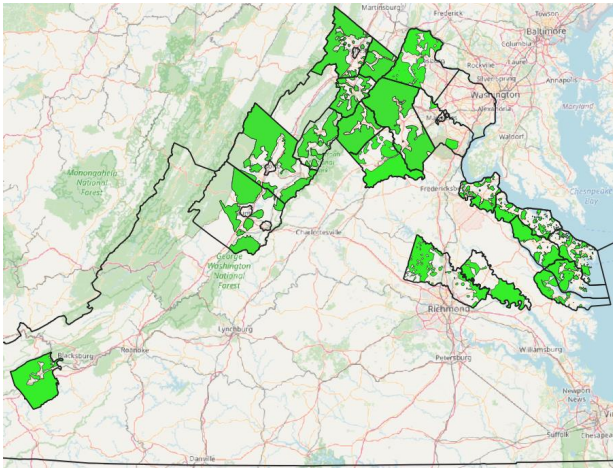

- 1.** In January the VACo President appoints VACo members to the eight VACo steering committees and names chairs and vice chairs. The eight steering committees are Economic Development and Planning, Education, Energy, Environment and Agriculture, Finance, General Government, Health and Human Resources, and Transportation.
- 2.** VACo members are invited to attend regional meetings held April-September throughout the VACo regions in the Commonwealth to identify and discuss key legislative issues.
- 3.** The steering committees meet once in late summer and again in November during the annual conference. The Steering Committees develop their position statements for the annual Legislative Program, based in part on information received during the regional meetings.
- 4.** In early Fall, prior to the annual conference, the membership receives a Preliminary Legislative Program. This draft is revised during the annual conference.
- 5.** The VACo Resolutions Committee oversees the development of the annual Legislative Program. It meets during the annual conference in November. The Resolutions Committee includes the six members of VACo's Executive Committee and the chairs and vice chairs of VACo's eight steering committees. VACo's President-Elect chairs the Resolutions Committee.
- 6.** The VACo membership adopts the new Legislative Program during the annual business meeting on the last day of the annual conference in November.

ALL POINTS BROADBAND

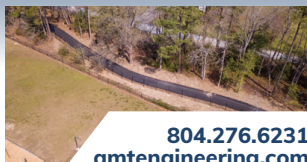

Live Connected.

- Partnering with **twenty** Virginia counties and **five** electric utilities to bring universal fiber-to-the-home broadband in each partnering county.
- All Points is the largest recipient, lowest bidder, and most cost effective awardee of the Virginia Telecommunication Initiative (VATI). In total, All Points has been awarded over **\$300 million** in federal, state, and local funding for projects in our partner jurisdictions.
- All Points is currently building over 4,000 miles of fiber-to-the-home broadband and connecting over **80,000 unserved locations**.
