

## Construction Project Manager

Fauquier County is seeking a detail-oriented, thorough, and organized construction project manager to join our team. Ideal candidate must be able to provide a leadership, organization, and planning role to control infrastructure project phases, including transportation; full scale building; and community infrastructure projects; from conception through construction administration on multiple projects in an efficient manner. Creative problem solver, proactive self-starter with ability to effectively communicate verbally and in writing with project stakeholders, including written or oral presentations to the general public.

The ideal candidate will show construction project management and oversight experience on local or state government capital projects, with projects that demonstrate complex requirements such as federal grants, ADA, architectural review board approvals, or historic resources. In addition, the candidate must possess an appropriate driver's license valid in the Commonwealth of Virginia and have the ability and willingness to obtain certifications such as certified construction manager, or similar construction or design certification or licensure programs.

We offer a competitive salary and comprehensive benefits package to include but not limited to:

- Medical, dental, vision, and prescription coverage,
- Annual leave, sick leave, and 2 personal days accrued each fiscal year,
- Virginia Retirement System pension plan & a life insurance policy 2X annual salary,
- 457B individual retirement plan,
- Free health care through our Fauquier County Employee Wellness Center...and so much more!

Salary commensurate with experience.
