Governor Proposes Budget Rewrite

Governor Youngkin proposed 233 amendments to the biennium budget bill that was passed by the General Assembly on March 9, as well as nine amendments to the “caboose” bill amending FY 2024 appropriations. In his remarks announcing his budget proposal last week, the Governor indicated that his amendments would produce a budget with neither tax increases nor tax cuts; key elements of his proposal eliminate the sales tax base expansion to digital personal property and certain digital services that was included in the budget passed by the legislature. To adjust for the resulting reduction in revenues (elimination of the sales tax base expansion reduces revenues by approximately \$1.2 billion), the Governor’s package of amendments includes a series of spending reductions or other adjustments (such as replacing General Fund dollars for capital projects with bonds).

Of particular concern to VACo are three amendments discussed in more detail below; VACo has sent letters encouraging that the following proposals be rejected:

- Eliminating the current cap of 0.500 on the Composite Index of Local Ability to Pay for the Virginia Preschool Initiative (VPI), which would require localities with Local Composite Indices above that cap to cover a larger share of VPI costs. This proposal was included in the December 2023 introduced budget and eliminated during the conference process, but was included again in the Governor’s April proposal.
- Significantly reducing the funding included in the budget as passed by the General Assembly for wastewater projects (from \$400 million over the biennium to \$100 million).

- Significantly reducing the additional state funding provided in the enrolled budget to stabilize the Washington Metropolitan Transit Authority and redirecting previously-provided FY 2022 funding to make up the difference.

Following is an outline of the Governor’s budget proposal. A full list of the Governor’s amendments to the caboose bill is available at [this link](#), and the full package of amendments to the biennium bill is available at [this link](#). The Governor’s amendments are drawn to the caboose and biennium budget bills as passed by the General Assembly; this version of these bills (the “enrolled bills”) reflects the compromise budget agreement reached as part of the budget conference negotiations and adopted by the General Assembly on March 9.

The General Assembly will consider the Governor’s amendments to the budget bills, along with his proposed amendments and vetoes for all other legislation, at the April 17 reconvened session. VACo will provide updates on the General Assembly’s action in a future Capitol Contact.

K-12 Education: Restoration of Hold-Harmless for Elimination of State Portion of Grocery Tax

- **As passed by the General Assembly (enrolled bill):** When the state portion of the sales and use tax on groceries was eliminated in 2022, statutory language required funding to be provided to compensate school divisions for the lost revenue associated with the elimination of the portion of the grocery tax that was distributed to school divisions based on school-age population. The Governor’s introduced budget failed to include this funding; restoring the funding was VACo’s top budget priority. The enrolled budget includes \$243 million over the biennium to restore the hold-harmless payments. ([Item 125 #10C](#))
 - **Governor’s amendments:** No change to enrolled bill. Maintains hold-harmless payments.

K-12 Education: Support Cap

- **As passed by the General Assembly (enrolled bill):** Does not include full elimination of the support cap; retains current staffing standard of 24 support positions per 1,000 ADM, as funded in the budget approved in September 2023 (Chapter 1).
 - **Governor’s amendments:** No change to enrolled; retains current staffing standard.

K-12 Education: Teacher Retirement

- **As passed by the General Assembly (enrolled bill):** Includes \$150 million from the General Fund (GF) in FY 2026 to reverse the proposed use of Literary Fund dollars for teacher retirement contributions in the second year in the introduced budget (retains use of Literary Fund dollars in FY 2025). ([Item 125 #13C](#))

- **Governor’s amendments:** Returns to approach in December 2023 introduced budget of using \$150 million from the Literary Fund in each year. **(Amendment 59)**
- **As passed by the General Assembly (enrolled bill):** Eliminates the introduced budget’s proposed FY 2025 deposit of \$350 million (\$115 million GF and \$235 million from the Literary Fund) to the VRS teacher retirement fund. **(Item 125 #17c)**
 - **Governor’s amendments:** No change to enrolled bill.

K-12 Education: School Capital

- **As passed by the General Assembly (enrolled bill):** Authorizes the Department of Education to offer up to \$250 million in school construction loans from the Literary Fund over the biennium. **(Item 125 #5c)**
 - **Governor’s amendments:** Authorizes \$175 million in loans in FY 2025. (Amendment 59)
- **As passed by the General Assembly (enrolled bill):** Maintains introduced budget’s appropriation of \$80 million per year to the School Construction Assistance Program from casino gaming proceeds.
 - **Governor’s amendments:** No change to enrolled bill.

K-12 Education: At-Risk Add-On

- **As passed by the General Assembly (enrolled bill):** Provides \$186.7 million in FY 2025 and \$184.6 million in FY 2026 to consolidate the SOQ Prevention, Intervention, and Remediation and At-Risk Add-On programs into one At-Risk Add-On program; use federal Identified Student Percentage rates rather than federal free-lunch rates to estimate the number of At-Risk students (with a multiplier of 1.25, plus one-quarter of English learner students); distribute an 11 percent basic aid add-on per estimated at-risk student; and provide an add-on percentage ranging from 0 to 37 percent, depending on each school division’s relative concentration of at-risk students. This amendment is derived from JLARC’s K-12 funding study. **(Item 125 #2c)**
 - **Governor’s amendments:** Reduces funding levels proposed in the enrolled budget by \$82.9 million in FY 2025 and \$79.1 million in FY 2026. Reinstates the SOQ Prevention, Intervention, and Remediation program as a separate program. Provides a 5 percent basic aid add-on per at-risk student and a maximum additional add-on percentage from 0 to 35.5 percent per student. Directs a study of the effects of transitioning the at-risk proxy from federal free-lunch rates to the federal Identified Student Percentage rates and the effects of eliminating the SOQ Prevention, Intervention, and Remediation program as a stand-alone program. (Amendment 56)

K-12 Education: English Learners

- **As passed by the General Assembly (enrolled bill):** Provides \$37.9 million in FY 2025 and \$34.2 million in FY 2026 for the state’s share of

additional English Learner teachers, based on student proficiency. Language allows for staffing in the first year to equate to the number of teachers required during the 2023-2024 school year, plus one-half of the additional positions that would otherwise be required. **(Item 125 #3c)**

- **Governor’s amendments:** Reduces the additional funding proposed in the enrolled budget by \$25.9 million in FY 2025 and \$21.1 million in FY 2026; funds staff at a ratio of 22 instructional positions per 1000 English language learner students. Directs collection of data on student proficiency levels and English learner expenditures and directs the Department of Education to provide recommendations to the Joint Subcommittee on Elementary and Secondary Education for alternative staffing ratios. (Amendment 57)

K-12 Education: School-Based Mental Health

- **As passed by the General Assembly (enrolled bill):** Eliminates the \$7.2 million proposed in the introduced budget for the Department of Education to contract with a telehealth provider for mental health care services for students in grades 6-12; includes language directing the Superintendent of Public Instruction to enter into a statewide contract with one or more telehealth providers to provide mental health care to public school students and authorizing school divisions to purchase services from this contract. Also eliminates proposed funding (\$200,000 per year) for a new Chief School Mental Health Officer position. **(Item 117 #1c, Item 123 #1c)**
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Directs the Department of Education to work with DBHDS and the Department of Medical Assistance Services (DMAS) on a plan for a new program to deliver flexible mental health funding to school divisions. This amendment is a recommendation from the Behavioral Health Commission’s study of school-based mental health services. **(Item 117 #2c)**
 - **Governor’s amendments:** No change to enrolled bill.
- **As passed by the General Assembly (enrolled bill):** Specifies that the \$15 million per year in the introduced budget for technical assistance to school divisions for the implementation and expansion of school-based mental health services is to be used to provide grants to contract with federally qualified health centers or other health care organizations to establish school-based health clinics to provide mental health services and primary medical care to students and their families, as well as school staff. **(Item 295 #10c)**
 - **Governor’s amendments:** Revises language specifying use of funding; requires funds to be used for technical assistance to school divisions seeking guidance on the implementation and expansion of school-based mental health services; technical assistance to school divisions for reimbursement from Medicaid and other insurers; and grants to school divisions to contract for community-based mental health services for

students. Earmarks \$500,000 in FY 2025 for a statewide evaluation of school-based mental health services. (Amendment 125)

K-12: Additional Items

- **As passed by the General Assembly (enrolled bill):** Retains amounts for rebenchmarking and technical updates from the introduced budget; incorporates several smaller additional technical updates that total a reduction of \$1.9 million per year. Rebenchmarking costs total \$969 million over the biennium.
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Reflects an additional \$23.7 million in FY 2025 and \$59.2 million in FY 2026 (on top of the \$23.9 million in FY 2025 and \$61.8 million in FY 2026 in the introduced budget) for the net revenue impact for K-12 of the expansion of the sales tax base to certain digital products and services, as proposed in the introduced budget and expanded further in the conference report to apply to certain business-to-business transactions. ([Item 125 #9c](#))
 - **Governor’s amendments:** Captures savings to reflect the Governor’s proposed elimination of the sales tax base expansion (\$47.6 million in FY 2025 and \$121.1 million in FY 2026) (Amendment 60)

- **As passed by the General Assembly (enrolled bill):** Recognizes an additional \$25 million in Lottery proceeds in FY 2025 (replacing a like amount of General Funds). ([Item 125 #22c](#))
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Retains the \$30 million in FY 2025 and \$30.1 million in FY 2026 included in the introduced budget for the state share of reading specialist positions in accordance with legislation passed in 2023. Provides an additional \$5.7 million in FY 2025 and \$3.7 million in FY 2026 in net increases for literacy screening, coaching, technical assistance, and professional development. ([Item 117 #6c](#))
 - **Governor’s amendments:** No change to reading specialist funding. Reduces additional funding proposed for literacy screening by \$1.5 million per year (Amendment 44)

- **As passed by the General Assembly (enrolled bill):** Provides \$100,000 in FY 2025 to the Commission on Youth for a review of the state’s special education dispute resolution system. ([Item 22 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Eliminates proposed \$30 million per year for the College Partnership Lab Schools Fund and reinserts language defining a college partnership laboratory school as a public four-year institution; language in the caboose transfers \$85 million in unobligated balances from the College Partnership Lab Schools Fund to the General Fund. ([Item 125 #18c](#), [Item 3-1.01 #4c in the caboose](#))

- **Governor’s amendments:** Reverses the transfer of \$85 million in College Partnership Lab School Fund balances to the General Fund in the caboose; removes language defining a college partnership laboratory school as a public four-year institution. Does not reinstate the \$30 million removed from the biennium budget in the enrolled bill.
- **As passed by the General Assembly (enrolled bill):** Eliminates the \$20 million per year proposed in the introduced budget for the new Diploma Plus program, which would provide grants to high school students to support attainment of high-demand industry-recognized credentials. ([Item 125 #16c](#))
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Eliminates \$1.7 million in FY 2025 and \$1.6 million in FY 2026 proposed in the introduced budget to eliminate the cap on supplemental basic aid payments. ([Item 125 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Directs the Superintendent of Public Instruction to enter into a statewide contract for assistance to school divisions with outreach and support for disengaged, chronically absent, or struggling students. ([Item 117 #7c](#))
 - **Governor’s amendments:** Eliminates this requirement. (Amendment 43)
- **As passed by the General Assembly (enrolled bill):** Provides \$2.2 million per year for regional special education family support centers, professional development, and special education coaching. ([Item 118 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Restores \$1.9 million per year that was proposed to be eliminated in the introduced budget for the Office of School Quality. ([Item 120 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Provides \$300,000 per year to support the Joint Subcommittee on Elementary and Secondary Education Funding. ([Item 123 #3c](#))
 - **Governor’s amendments:** Removes funding (Amendment 47)
- **As passed by the General Assembly (enrolled bill):** Provides an additional \$950,000 per year, in addition to the \$800,000 per year in the introduced budget, for supplemental support for Accomack and Northampton County school divisions for teacher recruitment and retention efforts. ([Item 125 #19c](#))
 - **Governor’s amendments:** No change to enrolled bill

Compensation: K-12 Instructional and Support Positions

- **As passed by the General Assembly (enrolled bill):** The Governor's December 2023 introduced budget had proposed the state's share of a 1 percent bonus payment, effective July 1, 2024, and the state's share of a 2 percent salary increase, effective July 1, 2025. The enrolled bill instead provides for the state's share of a 3 percent salary increase in each year for SOQ-recognized instructional and support positions, effective July 1, 2024, and July 1, 2025. A local match is required. The state's share will be pro-rated for divisions providing less than an average 3 percent increase, but in order to draw down the state funds, school divisions must provide at least an average 1.5 percent increase in the first year, and at least an additional average 1.5 percent increase in the second year. School divisions providing an average increase of more than 3 percent in the first year can credit the excess portion of the increase toward the second year. ([Item 125 #11c](#), [Item 125 #15c](#))
 - **Governor's amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Eliminates language in the introduced budget that directed the Secretary of Education to convene a stakeholder workgroup to make recommendations on the implementation of a teacher compensation model based on the Competitive Teacher Pay Report from 2023. ([Item 116 #2c](#))
 - **Governor's amendments:** No change to enrolled bill

Compensation: State and State-Supported Local Employees

- **As passed by the General Assembly (enrolled bill):** The Governor's December 2023 introduced budget had proposed a 1 percent bonus payment on December 1, 2024, a 1 percent salary increase on July 1, 2025, and another 1 percent bonus payment on December 1, 2025. The enrolled bill instead provides for a 3 percent salary increase in each year of the biennium, effective July 1, 2024, and July 1, 2025. ([Item 469 #2c](#))
 - **Governor's amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Includes language providing for a one-time bonus payment of 1.375 percent on December 1, 2025, for state and state-supported local employees, if the legislation increasing the minimum wage does not take effect. (If the legislation does take effect, this amendment provides funding for the Compensation Board to address impacts of the minimum wage increase on Constitutional offices, as well as funding for rate increases for certain Medicaid providers.) ([Item 469 #6c](#))
 - **Governor's amendments:** Removes these provisions (Amendment 186)

Judiciary/Public Safety: Compensation for Court-Appointed Counsel

- **As passed by the General Assembly (enrolled bill):** Provides \$6.5 million in FY 2025 and \$13 million in FY 2026 to increase compensation for court-appointed counsel in accordance with legislation passed in 2024 ([HB 102 \(Reaser\)](#) and [SB 356 \(Perry\)](#)) ([Item 33 #3c](#))

- **Governor’s amendments:** No change to enrolled bill

Judiciary/Public Safety: Aid to Localities with Police Departments (“HB 599”)

- **As passed by the General Assembly (enrolled bill):** Provides an increase of \$10 million per year for the HB 599 program. ([Item 396 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill

Judiciary/Public Safety – Fire and EMS Funding

- **As passed by the General Assembly (enrolled bill):** Directs the Secretary of Public Safety and Homeland Security to assess the sufficiency of fire and emergency medical services funding in the Commonwealth. VACo is named as a participant in the stakeholder group that is directed to be convened as part of the review. Provides \$150,000 in FY 2025 for procurement of technical expertise to complete the review. ([Item 377 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill

Judiciary/Public Safety – Juvenile Justice

- **As passed by the General Assembly (enrolled bill):** Retains the provision in the introduced budget to extend the moratorium on additional state funds for construction or renovation of local or regional detention centers, group homes, or related facilities (with exceptions for emergency maintenance projects) until June 30, 2026.
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Directs the Department of Juvenile Justice (DJJ) to evaluate its rehabilitative programming to ensure programs align with evidence-based practices and that the Department has sufficient staffing to support this programming. ([Item 414 #1c](#))
 - **Governor’s amendments:** No change to enrolled bill
- **As passed by the General Assembly (enrolled bill):** Directs the Virginia State Crime Commission to study juvenile restitution practices in Virginia. ([Item 23 #1c](#)).
 - **Governor’s amendments:** No change to enrolled bill

Judiciary/Public Safety – Other Items

- **As passed by the General Assembly (enrolled bill):** Directs the Secretary of Public Safety to evaluate the establishment of statutory authority for local civilian-led units to handle calls for services related to minor traffic accidents and other duties as assigned. Budget language calls for VACo’s assistance in developing the report, along with the participation of VML, the Virginia Sheriffs’ Association, the Virginia Association of Chiefs of Police, and other appropriate stakeholders. ([Item 377 #2c](#))
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Authorizes the Virginia State Crime Commission to access records and facilities of state entities and political subdivisions in order to carry out its duties. **(Item 23 #3c)**
 - **Governor’s amendments:** Narrows language to specify that the Crime Commission would have access to criminal justice-related data from state agencies and political subdivisions, and access to state correctional facilities with reasonable notice. Stipulates that the Crime Commission would not have access to criminal investigative files and other information prohibited for dissemination by statute. (Amendment 10)

- **As passed by the General Assembly (enrolled bill):** Provides \$46,000 in FY 2025 for the Office of the Executive Secretary of the Supreme Court to contract with the National Center for State Courts and collaborate with the Department of Behavioral Health and Developmental Services (DBHDS) to study existing statewide jail diversion programs and initiatives for individuals with a serious mental illness, and the feasibility of implementing an expedited process to divert individuals with a serious mental illness to court-supervised mental health treatment. **(Item 31 #2c)**
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Reduces the proposed increase for specialty dockets in the introduced budget by \$750,000 in FY 2026 (leaving an increase of \$750,000 per year). **(Item 31 #3c)**
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Captures savings from proposed closures of Department of Corrections facilities, as proposed in the introduced budget; also includes language directing the Department of Corrections to assess its use of staffing posts and facility space in light of lower inmate populations. **(Item 390 #7c)**
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Eliminates the \$500,000 that was included in the introduced budget for Sussex County to offset costs of providing emergency medical transport for inmates at Sussex State Prison. **(Item 390 #1c)**
 - **Governor’s amendments:** Restores \$300,000 per year for Sussex County emergency medical services costs (Amendment 176)

- **As passed by the General Assembly (enrolled bill):** Directs the Department of Criminal Justice Services (DCJS) to convene a workgroup to make recommendations on requiring a local court-appointed special advocate program to be available in every judicial district. **(Item 394 #2c)**
 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Reduces funding for the Operation Ceasefire Grant Fund by \$7.5 million per year (leaving \$10 million per year available for use); bars funding from being provided to state agencies and bars grant funding for law enforcement equipment, with the exception of forensic and analytical equipment. ([Item 394 #6c](#), [Item 394 #5c](#))

 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Reduces funding for School Resource Officer Incentive Grants by \$4.1 million in FY 2025 and \$6.8 million in FY 2026 (the introduced budget included funding levels of \$27.2 million per year for the program). Eliminates language that would have waived matching requirements in FY 2025. Explanatory information provided with the amendment indicates that this action would leave \$4.7 million available for new grants each year, as well as reflecting ongoing grant obligations, and would align with FY 2024 spending. ([Item 394 #13c](#))

 - **Governor’s amendments:** Restores \$2 million in FY 2025 and \$3.4 million in FY 2025 for School Resource Officer Incentive Grants (Amendment 175)

- **As passed by the General Assembly (enrolled bill):** Eliminates the \$18 million in the introduced budget that was proposed as a one-time appropriation to support efforts to fill persistent vacancies in law enforcement agencies. ([Item 396 #2c](#))

 - **Governor’s amendments:** No change to enrolled bill

- **As passed by the General Assembly (enrolled bill):** Retains the additional \$7.2 million over the biennium provided for the Victim-Witness Grant Program in the introduced budget and provides an additional \$1.3 million per year. ([Item 394 #15c](#)) Retains the additional \$3.5 million in FY 2026 provided for sexual assault crisis centers and domestic violence programs in the introduced budget and provides an additional \$2.1 million per year to return grantees to FY 2023 levels. ([Item 394 #16c](#)). Provides \$1.5 million in FY 2025 and \$2.5 million in FY 2026 for the Victim Services Grant Program to offset expected declines in federal funding. ([Item 394 #17c](#))

 - **Governor’s amendments:** Retains the additional funding for the Victim-Witness Grant Program, sexual assault crisis centers and domestic violence programs. Eliminates the additional \$1.5 million in FY 2025 and \$2.5 million in FY 2026 for the Victim Services Grant Program. (Amendment 174)

- **As passed by the General Assembly (enrolled bill):** Retains the additional \$2 million in FY 2025 proposed in the introduced budget for grants to combat hate crimes; adds language directing DCJS to disseminate information to stakeholders about the grant opportunity and allowing localities in partnerships with institutions or nonprofits that have been targets of hate crimes, or are at risk of being targets, to be eligible to apply (the introduced budget language limits eligibility to these institutions or nonprofits). ([Item 394 #19c](#))

- **Governor’s amendments:** Eliminates language allowing localities in partnerships with institutions or nonprofits to apply for grant funding. (Amendment 171)

Administration: Compensation Board – Constitutional Officers

- **As passed by the General Assembly (enrolled bill):** Directs the Compensation Board to report on the allocation and effectiveness of funds from 2022 to increase compensation for sworn officers in sheriffs’ offices, as well as on retention for deputies with law enforcement duties compared to deputies without law enforcement duties, including information on local salary supplements. **(Item 60 #1c)**
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Provides \$752,147 in FY 2025 and \$828,042 in FY 2026 for 18 paralegal positions in Commonwealth’s Attorneys’ offices. **(Item 64 #1c)**
 - **Governor’s amendments:** Retains paralegal funding and adds \$1.5 million in FY 2025 and \$1.6 million in FY 2026 from funding redirected from the Safer Communities program for an additional 29 assistant Commonwealth’s Attorneys positions. (Amendment 16, Amendment 17, Amendment 173)
- **As passed by the General Assembly (enrolled bill):** Allows the Compensation Board to take into account the staffing capacity of a circuit court clerk’s office when determining whether or not to withhold statewide salary increases from Circuit Court Clerks who fail to take corrective action for any internal control matters identified by the Auditor of Public Accounts. Under current budget language, the Compensation Board must withhold salary increases from a Clerk in these circumstances. **(Item 65 #1c)**
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Extends the validity of subdivision plats that were unable to be recorded prior to the commencement of the 2020 judicial emergency to December 31, 2024. **(Item 65 #2c)**
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Directs a study of staffing standards for Circuit Court Clerks and provides \$400,000 in FY 2025 for a contract with the National Center for State Courts for a time study as to Clerks’ duties. **(Item 67 #1c)**
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Retains provisions in the introduced budget moving \$9.4 million in projected vacancy savings in FY 2025 to a reserve fund to be used in FY 2026 to reimburse expenses incurred within established budgets for Constitutional officers if vacancy levels are reduced and vacant positions are filled.

- **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Retains provisions in the introduced budget providing \$159,889 per year to adjust the salaries of Constitutional officers whose localities met a population-based threshold.
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Provides \$185,234 in FY 2025 and \$1 million in FY 2026 to account for the impact of increases to the minimum wage provided in legislation that has passed the General Assembly, contingent on the legislation taking effect. Contingency language in Central Appropriations discussed in the Compensation section above provides for bonuses for state employees and state-supported local employees in the event the minimum wage increases do not take effect. (**Item 469 #6c**)
 - **Governor’s amendments:** Eliminates these provisions (Amendment 186)

Administration: Compensation Board – Jails

- **As passed by the General Assembly (enrolled bill):** Transfers proposed \$500,000 in FY 2025 from opioid settlement funding for jail-based substance use treatment from the Compensation Board into the Jail-Based Substance Use Disorder Treatment and Transition Fund, which is administered by the Department of Criminal Justice Services, and increases the funding level to \$2 million. VACo supported the creation of this Fund in 2023. (**Item 60 #3c** and **Item 394 #11c**)
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Retains provisions in the introduced budget capturing \$15 million per year (in FY 2024, FY 2025, and FY 2026) in per diem payment savings based on inmate population reductions and projected growth in jail populations over the next biennium.
 - **Governor’s amendments:** No change from enrolled bill
- **As passed by the General Assembly (enrolled bill):** Retains \$32,401 in FY 2025 in the introduced budget for the state’s share of improvements to the Franklin County jail; adds language revising the process for review of local or regional jail capital projects to which the state provides funding. (**Item 385 #1c**)
 - **Governor’s amendments:** No change from enrolled bill

Administration: Elections

- **As passed by the General Assembly (enrolled bill):** Redirects \$2.8 million in ARPA funds to the Department of Elections to assist localities in implementing electronic pollbooks and ballot-on-demand systems. These funds were originally provided to the Department of Social Services for Medicaid eligibility redeterminations. The Department of Elections will develop a process for distributing these funds. (**Item 486 #4c in the caboose**)
 - **Governor’s amendments:** No change from enrolled bill

- **As passed by the General Assembly (enrolled bill):** Provides three additional days for local electoral boards to certify election results after the November 2024 election and provides that a risk-limiting audit for the Presidential election will not be conducted. ([Item 77 #2c](#))
 - **Governor’s amendments:** Eliminates these provisions. (Amendment 26)
- **As passed by the General Assembly (enrolled bill):** Provides \$200,000 in FY 2025 for the costs of a required mailing to eligible but unregistered voters, which would enable Virginia to rejoin the Electronic Registration Information Center, as required by companion bills passed this session. The Governor has vetoed these bills. ([Item 77 #3c](#))
 - **Governor’s amendments:** Eliminates this funding (Amendment 25)
- **As passed by the General Assembly (enrolled bill):** Retains proposed funding in the introduced budget for a list maintenance position (\$148,991 in FY 2025 and \$161,397 in FY 2026).
 - **Governor’s amendments:** No change from enrolled bill

Agriculture and Forestry

- **As passed by the General Assembly (enrolled bill):** Retains proposed \$437,500 reduction to the deposit to the Farmland Preservation Fund in each year, as included in the introduced budget. Governor Vetoes School Construction Financing Bills

Contact Your Delegates and Senators Now to Support Override Vote!

On Monday night, April 8, Governor Youngkin vetoed [HB 805 \(Rasoul\)](#) and [SB 14 \(McPike\)](#), which passed the House and Senate with broad bipartisan support and at least two-thirds of each chamber voting in favor of the bills ([71-26](#) and [27-13](#), respectively). This was in large part due to the support of VACo members and numerous other local government and K-12 advocates who testified in favor of the legislation. VACo [encouraged](#) the Governor to support this legislation.

ACTION REQUIRED – Call your [Delegates](#) (2-Part Email List – [Delegates 1](#) | [Delegates 2](#)) and [Senators](#) NOW to urge them to continue to support **HB 805 and SB 14**.

VACo **REQUESTS** that members contact their Delegates and Senators and stress the importance of their continued support of this legislation as it returns to the General Assembly for the Reconvened Session on Wednesday, April 17. VACo Members – please urge your legislators to vote in favor of passing this legislation that will have a positive impact on many communities and families.

As previously [reported](#), these bills would permit any county or city to impose an additional local sales and use tax of up to 1 percent, if initiated by a resolution of the local governing body and approved by voters at a local referendum. The revenues of such a local tax would be used solely for capital projects for the construction or renovation of schools. Localities that choose to exercise this authority, if approved by voter referendum, may use the revenues from such authority for school capital debt payments.

KEY POINTS

- Currently, this authority is limited to the qualifying localities of Charlotte, Gloucester, Halifax, Henry, Mecklenburg, Northampton, Patrick, and Pittsylvania Counties and the City of Danville. Eight of these localities have opted to, and successfully passed, voter referendums to use this authority for capital projects.
- It has been an absolute game changer for these localities. Some examples include, but are not limited to:
 - Halifax County is constructing a brand-new High School to replace their 50-plus-year-old, crumbling facility.
 - The City of Danville has been able to schedule a major renovation of Forest Hills Elementary school, which was built during the Great Depression.
 - Gloucester High School expects completion of a major multiyear, multi-phase renovation in 2025.
 - Henry County will begin work on multiple schools, including renovating a school built in 1927.
- These bills do not require any locality to raise additional revenues unless the locality's elected leaders and its citizens vote to do so through voter referendum. This gives parents and citizens a voice in how their children's schools are funded.
- No child in Virginia should have to go to a school with a leaky roof, an insufficient HVAC system, or one that was built prior to World War I. Every child deserves to go to a safe and modern school.

VACo Members – Please contact your [Delegates](#) (2-Part Email List – [Delegates 1](#) | [Delegates 2](#)) and [Senators](#) today. Their support is critical to ensuring that the Commonwealth empowers local governments, parents, and citizens to provide that every child goes to a safe and modern school.
