

Spray Technician

\$39,968 or higher DOQ + \$2,000 Sign On Bonus + [Full-Time County Benefits](#).

James City County's General Services Department is hiring a Spray Technician to perform responsible work in the area of pesticide maintenance for County parks and other grounds and planted areas throughout James City County. **Signing bonus of \$2000 is offered to eligible candidates.**

Responsibilities:

- Oversees work of team members during operations including accountability for job completion, materials selection, coordination of logistics, and overall welfare and performance of assigned personnel.
- Maintains records of assigned work including work performed, pesticide usage, equipment repair and maintenance, and maintains an inventory of necessary pesticides and fertilizers.
- Prepares and maintains a variety of logs and reports; assists in ordering supplies and tracking inventory.
- Performs preventive maintenance on equipment as needed; may review new equipment, chemicals, etc.
- This job is considered essential personnel and will be required to work during and following natural disasters and emergency situations.

Requirements:

- Any combination of education and experience equivalent to a high school diploma; considerable experience in the operation of grounds-keeping equipment and in landscape techniques and some experience in overseeing the work of others preferred.
- Must possess a valid Virginia Commercial Driver's License and have an acceptable driving record based on James City County's criteria.
- Must possess and maintain certification for application of herbicides, fertilizers and certain insecticides.
- Knowledge of landscaping and grounds care techniques and operation of relevant equipment to include pesticide and pesticide application using both high and low pressure systems; equipment operation and safety regulations; principles and processes for providing customer service including setting and meeting quality standards for services, and evaluation of customer satisfaction.
- Skill in computer software especially Microsoft Office Suite; equipment usage and pesticide application.
- Ability to plan, coordinate and guide the work of others; perform strenuous physical labor; establish and maintain effective working relationships with both County staff and the public; follow oral and written instructions.
