

Fauquier County Government – Chief Information Officer

The Fauquier County Government Department of Information Technology is seeking a talented and motivated Chief Information Officer to join our team. This position will oversee the planning, development, implementation, and maintenance of the Fauquier County's IT services.

The selected candidate will handle employee concerns, organize, prioritize, and assign tasks. Educate other departments and provide analytical data. Engage in the Technology Review Board and other committees. Ensures major projects stay on track and aligned with goals. Develops and administers the department budget and creates and implements long – and short-term plans to address technological needs.

We offer a competitive salary and comprehensive benefits package to include but not limited to:

- Medical, dental, vision, and prescription coverage,
- Annual leave, sick leave, and 2 personal days accrued each fiscal year,
- Virginia Retirement System pension plan & a life insurance policy 2X annual salary,
- 457B individual retirement plan,
- Free health care through our Fauquier County Employee Wellness Center...and so much more!
