

Madison County, Virginia
Application Instructions for Emergency Medical Services Technician - Advanced

Madison County is accepting applications for the position of Full-time EMT-Advanced. Information on Madison County, the position and the application procedures can be found at <https://www.madisonco.virginia.gov/>. Applications will be received until position is filled. EOE

Following is supplementary information on the position and application instructions for all interested individuals:

Full-time employees are eligible for VRS Retirement, employee health insurance (currently Local Choice-Blue Cross/Blue Shield) benefits, and holiday and vacation/sick paid time off. The current Madison County Personnel Policy is available on the County website. Part-time positions are not eligible for these benefits. The hiring rate will depend upon the qualifications of the individual selected but is anticipated to be in the \$50,902.00 - \$62,661.00/yr. range.

Applicants are to complete a Madison County employment application form and return it to Human Resources Manager, Tillie Strothers, P.O. Box 705; Madison, VA 22727 or to tstrothers@madisonco.virginia.gov or apply online. Resumes (and limited additional relevant documentation) are encouraged and will be accepted but will not be considered a substitute for a completed County application form. General inquiries by the applicant via telephone or in person are discouraged.

The County will give preference to applicants that have appropriate experience and good people skills. Applications will be reviewed on the basis of apparent qualifications.

All applicants are expected to be qualified with applicable experience and certifications and possess a valid driver's license. All applications must be able to pass a drug screening and criminal background investigation.

Emergency Medical Technician - Advanced

Department:	Location:	Job Type:	FLSA Status:	Pay Grade:
Emergency Medical Services	1473 N. Main St.	Full-Time	Non-Exempt	PS5

General Definition of Work:

Performs regular intermediate and occasional difficult skilled human support work rescuing and transporting the sick and the injured and administering emergency medical care at the EMT-Advanced level, and related work as apparent or assigned. Work is performed under the supervision of the EMS Lieutenant.

Qualification Requirements:

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable an individual with disabilities to perform the essential functions.

Essential Functions:

- Responds to emergency calls; drives equipment; transports victims to emergency care facilities; serves as ambulance crew leader and oversees the services provided by subordinates.
- Observes patient responses and maintains accurate and complete records; completes reports on basic and advanced life support calls.
- Performs emergency medical care in accordance with established written guidelines and verbal instructions from physicians; implements treatment plans in route to medical services based on patient's history, signs, and systems displayed.
- Responds to cardiovascular, respiratory, endocrine, neurological, toxicological, and traumatic calls or other conditions which might require advanced life support.
- Identifies and requests necessary resources through appropriate chain of command such as equipment, fire department, law enforcement, air medical, etc.
- Assists with the rescue of accident victims utilizing specialized equipment.
- Transports patients to hospitals.
- Performs general maintenance work and upkeep on vehicles, apparatus, equipment, station, and grounds.
- Participates in continuing training and instruction program by individual study of technical material and attendance at scheduled drills and classes; assists in training new and subordinate emergency medical service providers.
- Transmits vital patient information and telemetry data to receiving medical care facility.
- Participates in Community Risk Reduction and Community Outreach activities.
- Maintains physical condition necessary for running, walking, crawling, climbing, stooping and heavy lifting.

- Participates in continuing training and instruction program by individual study of technical material and attendance at scheduled drills and classes.
- Other duties as assigned

Knowledge, Skills and Abilities:

General knowledge of the principles of anatomy and physiology; thorough knowledge of the principles and techniques of emergency care, including diagnosis, proper treatment and transportation; thorough knowledge of equipment and supplies employed in the emergency care of patients and victims of accidents; thorough knowledge of the street and road system and physical layout of the County; skill in assessing a victim's condition and applying appropriate emergency medical care; ability to understand and follow oral and written instructions; ability to keep records and prepare reports; ability to establish and maintain effective working relationships with associates, medical staff, patients and their families, emergency and public safety representatives, and the general public.

Education and Experience:

High school diploma or GED and moderate experience in the provision of emergency medical services, or equivalent combination of education and experience.

Physical Requirements:

This work requires the regular exertion of up to 10 pounds of force, frequent exertion of up to 25 pounds of force and occasional exertion of up to 100 pounds of force; work regularly requires speaking or hearing, using hands to finger, handle or feel, climbing or balancing, stooping, kneeling, crouching or crawling, reaching with hands and arms, tasting or smelling and pushing or pulling, frequently requires walking and sitting and occasionally requires standing and repetitive motions; work requires close vision, distance vision, ability to adjust focus, depth perception, color perception, night vision and peripheral vision; vocal communication is required for expressing or exchanging ideas by means of the spoken word and conveying detailed or important instructions to others accurately, loudly or quickly; hearing is required to perceive information at normal spoken word levels and to receive detailed information through oral communications and/or to make fine distinctions in sound; work requires preparing and analyzing written or computer data, visual inspection involving small defects and/or small parts, using of measuring devices, assembly or fabrication of parts within arm's length, operating machines, operating motor vehicles or equipment and observing general surroundings and activities; work regularly requires exposure to toxic or caustic chemicals, exposure to outdoor weather conditions and exposure to bloodborne pathogens and may be required to wear specialized personal protective equipment, frequently requires exposure to fumes or airborne particles, exposure to the risk of electrical shock and exposure to vibration and occasionally requires wet, humid conditions (non-weather), working near moving mechanical parts, working in high, precarious places, exposure to extreme cold (non-weather), exposure to extreme heat (non-weather) ; work is generally in a loud noise location (e.g. grounds maintenance, heavy traffic).

Special Requirements:

- All employees may be expected to work hours more than their normally scheduled hours in response to short-term department needs and/or County-wide emergencies.
- This is a safety sensitive position and is subject to random drug testing and criminal background checks. Positive drug test results may result in counseling and/or discipline, up to and including, termination.
